PITT SHOOTOUT 21

A ROADTRIP TO MICHIGAN INTERNATIONAL SPEEDWAY

Early in the hot Louisiana summer the team was in full swing preparing for FSAE Michigan in usual fashion, but due to the COVID-19 pandemic, this competition was delayed until July for the first time in recent memory. The Team spent the long June days driving and preparing for the trip ahead. Three days before leaving Baton Rouge tragedy struck. Due to an unfortunate and unexpected accident the 2021 car was left without a front wing. The team worked night and day to make a new front wing and mounts ready for Michigan. Through all the work the team managed to mend the car and get on the road. After a twenty two hour drive the team found themselves an hour away from the Motor City in Michigan Speedway. With a couple setbacks under the belt, the team finally passed technical inspection early on the second day. The team proceeded to have one of the best performances in TigerRacing history. The team placed 14th in Acceleration, 11th in Skidpad, 15th in Autocross, 9th in Fuel efficiency, for a placement of 10th overall!

Pitt Shootout

New Member Meeting

Advisory Board

A SHOOTOUT IN THE NORTH

Pittsburg shootout, about as big as it gets for unofficial friendly FSAE competitions. Only one team came from the South Eastern Conference, one team from the South, and only one from Louisiana. Tiger Racing set out with a handful of members for a 22 hour journey to Pittsburgh International Speedway the week before classes commenced at LSU. Tiger Racing encountered many familiar friends from FSAE Michigan, all together to have a good time and have fun friendly competition. With the ranking being determined by the fastest lap time of the day, the team got to racing and everyone got a chance to set their best lap times. With a rocky morning due to electrical issues, the car ran smooth and reliable for the rest of the day. As the end of the day was coming closer, Tiger Racing had not yet set a top 10 lap time. Until the team's captain, Josh Brooks, took one more lap around the course setting a blistering time of 45.36 seconds! This time rewarded TigerRacing with 2nd place, and it marked the first time the team has placed at Pittsburgh Shootout!

MICHIGAN 21

ADVISORY BOARD MEETING

We welcome all Alumni, Sponsors, and friends of TigerRacing to our annual Advisory Board meeting on October 9th, 2021 10:00am CST! Our annual Advisory Board meeting is crucial to the success of the team, and the feedback that we receive is priceless.

We are looking forward to seeing you there! To RSVP to this event, please email formulalsu@gmail.com so that we know you are coming. Thank you!

NEW MEMBER MEETING

On September 13th the Team had their annual new member meeting. Even with the meeting getting pushed back a week due to Hurricane Ida, there was still over 100+ people in attendance!
